DISTRICT 10 NEWS

Governor's Summit October 15th in Seguin

Nearly 100 District 10 Zontians met in Seguin for the Governor's Summit in October. Seven members of the Houston Club were present. Former Houston Club members, now with the USA2 e-club, Carol Collett and Sherry Williams, also attended.

Dues for this category are \$40 annually, District 10 dues remain \$28, and club dues are at the discretion of the clubs.

Silent Auction proceeds which support the District 10 scholarships, were \$1170.

The ZI Foundation fundraising goal for 2016-2018 to support international service projects, scholarships and fellowships is \$5,376,000; 8% of the total has been raised as of the date of the Summit. District 10 clubs have pledged approximately \$67,000 in 2016 toward this goal.

For the 2014-2016 biennium, District 10 was 8th in ZI Foundation giving, contributing a total of \$204,970.95 from clubs and individual giving. This amount was \$33,000 more than donated by the District for the 2012-2014 biennium. In 2014-2016, 333 individuals, representing 49% of the District's membership, gave a total of over \$78,000 to the ZI Foundation. The District funded four Amelia Earhart Fellowships at \$10,000 each. The Foundation fund receiving the most District donations was ZISVAW (Zonta International Strategies to end Violence Against Women) followed by the International Service fund.

The Zonta Club of Houston was one of the District 10 clubs to have 100% of its membership make a donation to the Foundation in 2014-2016. The other clubs were Austin, Brownsville, Dallas, Fredericksburg, Lafayette, Mineral Wells, Parker County, Seguin and Shreveport.

-with contributions from Carole Moffatt and Sally Rankin

Keynote speaker Van Bui related her journey as a refugee fleeing Vietnam in 1982 to a successful business owner in Seguin, Texas. Also speaking was Jacquie Gudmundsen telling us "How to get what you want" in negotiations. Good advice from Jacquie is to offer first something that will generate agreement with the negotiating parties and then build on that.

District awards were presented at the meeting luncheon. Houston received Membership certificates for "Net One Gain" and "Nothing but Net". The Houston Newsletter received first place in the clubs under 30 members division.

District 10 is encouraging its clubs to align their local advocacy and service projects to Goal #5 of the 17 Sustainable Development Goals adopted by the United Nations in September 2015, and targeted for achievement by 2030. Goal 5 reads: "Achieve gender equality and empower all women and girls".

A new membership category was instituted by Zonta International (ZI) "Young Professional" for women under 30. ZI

16 Days of Activism against Gender-Based Violence and Zonta Says NO to Violence Against Women Campaigns

From 25 November to 10 December, the 16 Days of Activism against Gender-Based Violence Campaign is a time to galvanize action to end violence against women and girls around the world. "Zonta Says NO to Violence Against Women" is a Zonta International campaign to raise awareness of and increase actions to end violence against women and girls around the world. [from www.zonta.org](http://www.zonta.org)

"Violence against women is a worldwide pandemic - it crosses every social and economic class, every religion, race and ethnicity. At least one out of every three women worldwide have experienced violence during their lifetime. We in Zonta International cannot accept this - we need to use all our energy to eradicate violence against women locally and internationally through service and advocacy."

New ZCHECF Service Project

Given the worldwide refugee crisis and after discussion at the October Meeting the Zonta Club of Houston Educational and Charitable Fund Board has approved a **new, one time, service project for this fall: collection of school supplies** and other materials for refugee children now in Houston. You are encouraged to bring supplies and backpacks for donation to the November 16 meeting and the Holiday Gathering on December 10. More details on suggested items will be sent shortly in an email.

"Refugee girls have already lost homes, friends and family members. Each year of school they miss, their hopes for a brighter future fade."

-Nobel Peace Prize winner, Malala Yousafzai

Book Discussion

Zonta Houston member, Therese Hartwell, will also host a book discussion of ***When the Moon is Low* by Nadia Hashimi**, a moving novel about a family from Afghanistan forced to make agonizing decisions in order to escape the violence in their country. She hopes to have Nadia join through Skype for a book discussion. Watch for details to come!
